ABOUT US

Established in 1998, the Kenya Association of Muslim Medical Professionals (KAMMP) unites **over 2,000 healthcare experts** nationwide. As a member of **FIMA**, we integrate Islamic ethics with professional excellence to shape national health policy and serve the community in partnership with the Kenya Ministry of Health, WHO, and other National and Global Partners.

2025 Impact & Achievements

- **Scientific Excellence:** Launch of the Pan-African Journal of Health and Islamic Medicine, hosting the 7th Annual Scientific Conference, specialized symposia, workshops, trainings, and regular webinars.
- **Community Outreach:** Provided healthcare and "Dignity Kits" to 480 orphans and led nationwide health awareness campaigns via TV and radio.
- **Global Leadership:** Spearheading the FIMA MindCare Mental health initiative and conducting community-based Lifesavers emergency training.
- **Policy & Advocacy:** Actively shaping the National Quality of Care Bill and the Social Health Protection Policies.
- **Strategic Growth:** Sustaining academic ties with the University of Washington and supporting 40+ medical students through the Al-Ilm Financial Program.

KAMMP remains a pivotal force in enhancing healthcare ethics, policy, and education—empowering professionals to serve humanity with excellence.

2025 CONFERENCE STATISTICS

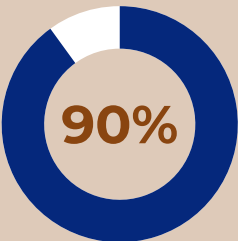

The **2025 Annual Scientific Conference** we were honored to host **Cabinet Secretary for Health, Hon. Aden Duale**, alongside **PS for Science, Research, and Innovation, Prof. Shaukat Abdulrazak**, whose presence underscored KAMMP's vital role in shaping national health policy. Joined by a prestigious cohort of **senior consultants and global healthcare leaders**, the event served as a high-impact platform for professional networking and scientific advancement.
